Re: **Parish Projects & In-Gathering Information**

Date: July 8, 2024

Thanks for all of your hard work in making quilts and preparing kits for Lutheran World Relief (LWR). We are coordinating with the Warehouse in New Windsor, MD to use their truck driver and truck with trailer to assist again this year. We are so grateful to be able to use the truck. Last year, it got to my church and it was almost full.

The 2024 Ingathering will take place between November 3 - November 16<sup>th</sup>. The truck will be in North Carolina for pick-up after those dates. I will let you know later which dates the truck will pick up. I have listed, later in this letter, each ingathering site and the dates and times that someone will be available at these sites.

For the answer to questions and information about assembling and packing quilts and kits, please refer to: <https://lwr.org/quilts> or <https://lwr.org/kits> or <https://lwr.org/pack>

Information may be downloaded and printed from the website.

The different kinds of kits are "Personal Care Kits," "Baby Care Kits," "School Kits" and "Fabric Kits." Then of course there are the "Mission Quilts."

Once you have all of your different kits together, the next step is to get them packed and ready for pick up at an Ingathering. The Quilt & Kit Tracker is no longer available and has not been replaced. Please follow the packing directions:

- Use strong cartons secured with packing tape, not to exceed 40 pounds per carton.
- Pack completed quilts and kits separately in boxes; like items together (pack School Kits separately from Personal Care kits, etc.).
- Do not use plastic or paper bags to pack donations.
- Create your own label OR write on your boxes in large, block letters

Your quilts and kits will be picked up by a truck and delivered to the LWR Warehouse in New Windsor, MD. Our dates for pick-up in North Carolina will be set at a later date.

According to the LWR website, LWR spent around \$1.9 million to operate the quilt and kit shipping program. This helps distribute about \$18 million worth of quilts and kits around the world each year. The generosity of donors helps ensure LWR has the resources needed to move these items. You and your congregation can help this process!

Your gifts to the Quilt & Kit Shipping Fund ensure that we reach people coping with poverty, disaster, conflict and more!

If you feel so moved, you may send your donations to:

NC Women of the ELCA  
Debra Weinel  
1612 Sherburg Court  
Raleigh, NC 27606

OR

You may make donations through  
the LWR website.

Many thanks for your patience this year and thank you so much for all that you do!!
